Jesus loves the little children,  
All the little children of the world.  
Red and yellow, black and white,  
They are precious in his sight.  
Jesus loves the little children of the world.

Everything is beautiful in it's own way.  
Like the starry summer night, or a snow-covered  
winter's day.  
And everybody's beautiful in their own way.  
Under God's heaven, the world's gonna find the way.

There is none so blind as he who will not see.  
We must not close our minds; we must let our thoughts  
be free.  
For every hour that passes by, we know the world gets  
a little bit older.  
It's time to realize that beauty lies in the eyes of the  
beholder.

And everything is beautiful in it's own way.  
Like the starry summer night, or a snow-covered  
winter's day.  
Oh, sing it children!  
Everybody's beautiful in their own way.  
Under God's heaven, the world's gonna find the way.

We shouldn't care about the length of his hair, or the  
color of his skin.  
Don't worry about what shows from without, but the  
love that lives within.  
And we're gonna get it all together now; everything  
gonna work out fine.  
Just take a little time to look on the good side my  
friend,  
And straighten it out in your mind.

And everything is beautiful in it's own way.  
Like the starry summer night, or a snow-covered  
winter's day.  
Ah, sing it children!  
Everybody's beautiful in their own way,

Under God's heaven the world's gonna find a way.  
One more time!  
Everything is beautiful in it's own way.  
Like the starry summer night, or a snow-covered  
winter's day...
