Could it be I'm lost upon some journey,
Or is it just this restless heart inside?
Something put me in the mood for moving
And keeps that far horizon on my mind.

Like a feather on the wind,
Where I land is where you find me.
It seems to me I'm searching,
But for what I couldn't say.
Oh, love me tonight.
But it's on the understanding.
I'm here today and gone tomorrow,
Like a feather on the wind.

We built this house with joy
And love and laughter.
And it's close to heaven as I've been.
Sometimes this four walls
Fell like a prison.
And there is nothing else that I can do,
But leave...

Like a feather on the wind,
Where I land is where you find me.
It seems to me I'm searching,
But for what I couldn't say.
Oh, love me tonight.
But it's on the understanding.
I'm here today and gone tomorrow,
Like a feather on the wind.

Sometimes a world wind overcomes me,
Next thing I know I'm torn out by the roots.
Sometimes a gentle breeze will find me drifting,
Staring down in wonder at the road beneath my
shoes...

Like a feather on the wind,
Where I land is where you find me.
It seems to me I'm searching,
But for what I couldn't say.
Oh, love me tonight.

But it's on the understanding.
I'm here today and gone tomorrow,
Like a feather on the wind.

I'm here today and gone tomorrow,
Like a feather on the wind.

I'm here today and gone tomorrow,
Like a feather on the wind.
