Fire and rain

Just yesterday morning they let me know you were  
gone  
Susanne the plans they made put an end to you  
I walked out this morning and I wrote down this song  
I just can't remember who to send it to

I've seen fire and I've seen rain  
I've seen sunny days that I thought would never end  
I've seen lonely times when I could not find a friend  
But I always thought that I'd see you again

Won't you look down upon me, Jesus  
You've got to help me make a stand  
You've just got to see me through another day  
My body's aching and my time is at hand  
And I won't make it any other way

Oh, I've seen fire and I've seen rain  
I've seen sunny days that I thought would never end  
I've seen lonely times when I could not find a friend  
But I always thought that I'd see you again

Been walking my mind to an easy time my back turned  
towards the sun  
Lord knows when the cold wind blows it'll turn your  
head around  
Well, there's hours of time on the telephone line to talk  
about things  
to come  
Sweet dreams and flying machines in pieces on the  
ground

Oh, I've seen fire and I've seen rain  
I've seen sunny days that I thought would never end  
I've seen lonely times when I could not find a friend  
But I always thought that I'd see you, baby, one more  
time again, now

Thought I'd see you one more time again

There's just a few things coming my way this time  
around, now  
Thought I'd see you, thought I'd see you fire and rain,  
now
