look out
look out and see the world
look out and see the world rejoicing
a child,
a child has born today
in peace and love
so raise your voices

a time to learn from every child
a time to give
a time to smile
embracing all in hapiness
a time to asking for forgiveness

so we sing Halle, Halle, Halle, Halle, Halle, Hallelujah
and we sing Halle, Halle, Halle, Halle, Halle, Hallelujah

up up
and take my mind
leave me to greater understanding
sorrows kind
then you her expanding
to be what i mean
to live without a trace of grieve
to be a child once again
and never never more the same

so we sing Halle, Halle, Halle, Halle, Halle, Hallelujah
and we sing Halle, Halle, Halle, Halle, Halle, Hallelujah

And so, and so the day is done
the child once more peacefully sleeping
the sun has set upon
peacefully keeping
have we just past the time away?
have we just lost ?
have we begun to live again?
like childrens never more the sames

so we sing Halle, Halle, Halle, Halle, Halle, Hallelujah
and we sing Halle, Halle, Halle, Halle, Halle, Hallelujah

Hallelujah
Hallelujah
Hallelujah
Hallelujah
Hallelujah
Amen
