Title: Heaven can wait

-----

Darkest night comes down on me.  
Each moment like eternity,  
driving somewhere in your car,  
a little to fast - a little to far  
and now you laying in this bed,  
not as sleep and jet not dead.  
if you can hear me: I'd love you.

Try to remember how it was.  
The little biddy kiss - the joy and love.  
All the love so very deep memories for us to keep.  
Darling, please don't slip away.  
I need you more than we can say.  
Never forget then: I love you.  
Never forget then: I love you.

Heaven can wait for I need you  
and without you I fall.  
And you really can't believe how much I pray.

Heaven can wait for without you  
I can't live anymore.  
Don't knock on heavens door, please hesitate.  
Heaven can wait.

Just to look into my eyes and see  
the love there is for you in me.  
You've who always knew my thoughts.  
No matter how hard our life was fought.  
Now I maybe loosing you and all the became into,  
never give up: I love you.

Heaven can wait for I need you  
and without you I fall.  
And I really can't believe how much I pray.

Heaven can wait for without you

I can't live anymore.  
Don't knock on heavens door, please hesitate.

Heaven can wait.  
and I hold you, your finger so small  
and I pray with all my heart that you return.

Heaven can wait.  
and I touched you and I feel you respire  
and I pray the lord; don't let me be to late.

Heaven can wait.  
and I hold you and I cry in your arms  
and I won't give up the fight till you return.

Heaven can wait.  
Your body's cold and mine is so warm  
and I hold you till I feel you coming home.

Heaven can wait for I need you  
and without you I fall. . .
