Sailors have seven seas and four strong winds that
blow.
Drifters have the next town down the road.
Gamblers have the chance to bad the ace that's in the
hole.
Soldiers have the hope of coming home.

And the flowers have the early April rain.
Believers have what they have never seen.
And the dreamers have tomorrow if today this not com
true.
And you have eyes that shine and I have you.

Hero's have their name in graved forever in a stone.
Hermits have their peace of mind alone.
Lovers have each other and the small sly of the moon.
And god still bless the child of has his own.

And the flowers have the early April rain.
Believers have what they have never seen.
And the dreamers have tomorrow if today this not com
true.
And you have eyes that shine and I have you.

I have you.
