Roger Whittaker - I will always love you

If I should stay,
I would only be in your way.
So I'll go but I know,
I'll think of you
every step of the way.

And I will always love you.
I will always love you.

You. My darling you. Mmmm.

Bittersweet memories,
That is all I am taking with me.
So goodbye, please don't cry.
We both know I'm not what you, you need.

And I will always love you.
I will always love you.

I hope life treats you kind,
And I hope you have
All you've dreamed of.
and I'm wishing you joy,
And happiness.
But above all this, I'm wishing you love.

And I will always love you.
I will always love you...
I will always love you...
