I will follow you.
I will follow, wherever you go.
I will follow you, my love.

Bitter and sweet.
Bitter and sweet, love can be.
Bitter and sweet, what will your love bring to me?
Turn me on in the night, it'll be all right.
Sacrifices every day, it'll be okay
And whatever we go through,
I will follow you.

If you tried me right,
There'll be nothing that couldn't bare.
If you tried me right, my love.

Bitter and sweet.
Bitter and sweet, love can be.
Bitter and sweet, what will your love bring to me?
Turn me on in the night, it'll be all right.
Sacrifices every day, it'll be okay.
I believe in what you do.

Turn me on in the night, it'll be all right.
Sacrifices every day, it'll be okay
And whatever we go through,
I will follow you.

I will follow you.
I will follow you.
I will follow you.
