Oh, it rains in the heat of the night.  
Yes, it rains in the heat of the night.  
I'm the loneliest one now that your love have gone  
And it rains in the heat of the night.

And the rain hype's the tears in my eyes.  
Yes, the rain hype's the tears in my eyes.  
Why you're walking away - still have so much to say  
And the rain hype's the tears in my eyes.

I remember so well  
The time when I was your men and you my lady.  
And I still hearing say  
What ever happens to us we'll did it trough.  
But it seems so hard to do.  
Love is a strange thing, baby.  
Don't you think that's true?

And it rains in the heat of the night.  
Yes, it rains in the heat of the night.  
On the street all alone such a long way from home.  
Oh, it rains in the heat of the night.

On the street all alone such a long way from home.  
And it rains in the heat of the night.

Who's gonna stop the rain  
And who's gonna ease the pain?  
The one that you going to  
Is he longing like I long for you?  
Love is a strange thing, baby.

And it rains in the heat of the night.  
Yes, it rains in the heat of the night.  
I'm the loneliest one now after your love is gone.  
Yes, it rains in the heat of the night.

And the rain hype's the tears in my eyes.  
Yes, the rain hype's the tears in my eyes.  
Why you're walking away - still have so much to say.  
Yes, the rain hype's the tears in my eyes.

Yeah, it rains in the heat of the night.  
It rains in the heat of the night.  
It rains in the heat of the night.
