Title: Love is the answer

Love is the answer when a song to hard to sing.
Love is the answer if your soul has broken wings.
You find my arms wide open waiting just for you.
Love is the answer and I do.

Love is the answer for a broken heart like yours.
Love is the answer and the sun behind these storms.
You have to know your dad's the angle in the skies.
Love is the answer I'm not lie.

Love's an open hand out of time without a name.
Call when you're need you're the flower of my sea.
O ho, ho, ho O ho, ho, ho. . . .
You're my baby - you're my baby.

Love is the answer for a broken heart like yours.
Love is the answer and the sun behind these storms.
You have to know your dad's the angle in the skies.
Love is the answer I'm not lie.

I'm not lie - love is the answer.
I'm not lie - love is the answer.
I'm not lie - love is the answer.
I'm not lie - love is the answer.
I'm not lie - love is the answer.
I'm not lie - love is the answer.
I'm not lie - love is the answer.
I'm not lie - love is the answer. . . .
