Title: Love you because

I love you because you understand, dear.
Every single thing I try to do.
You're always there to lend a helping hand, dear.
I love you most of all because you're you.

No matter what the world may say about me.
I know your love will always see me through.

I love you for the way you never doubt me.
I love you most of all, because you're you.

No matter what the world may say about me.
I know your love will always see me through.

I love you for the hundred thousand reasons,
But, most of all I love you 'cause you're you.
