Whenever my mind sees you girl.
I think of the times we owned the world.
Crazy in love I missed the signs -I just couldn't see.
I never believed you were leavin' my life.

Baby, give us one more chance.
So we can love again.
There's a time for love, a time to heal.
Now it's time for us to mend.

Baby, give us one more chance.
Let me come back home.
I don't wanna run the endless road
Or fight this world alone.

You were the diamond in my life.
You were the only star in sight
Playing against the odds I lost all that I had.
What was the cost of you leaving my life?

Baby, give us one more chance.
So we can love again.
There's a time for love, a time to heal.
Now it's time for us to mend.

Baby, give us one more chance.
Let me come back home.
I don't wanna run the endless road
Or fight this world alone.

Give us one more chance.
It's all that we need.
To let the heartache mend girl.
And make a love once broken strong again.
Oh... girl yeah...

There's a time for love, a time to heal.
Now it's time for us to mend.

Baby, give us one more chance.
Let me come back home.
Cause, I don't wanna run the endless road

Or fight this world alone.

Baby, oh baby, yeah...

There's a time for love, a time to heal.

Now it's time for us to mend.

Baby, oh baby, yeah...

Cause, I don't wanna run the endless road

Or fight this world alone.
