Roger:

Here we are it's two am
And we're close enough to touch.
There it is waiting to be said.
But no one saying much.

Lene:

The lights are low
And candles glow around your angle eyes.

Roger:

I think you know,

Together:

These feelings for each other
Really come as no surprise.

Together:

We can shoot for the moon.
Maybe we got to come in.
If we shoot for the moon,
Maybe we'll win the running.

Lene:

We can live all allowed fantasies
Or stay in the way we are.

Together:

But if we shoot for the moon
The world still happen.
These we'll fall among the stars.

Lene:

Here we go caught up in the moment,
Wishing it would last.

Together:

There we go trailing at the speed of love
And falling fast.
Take my heart hold it close and tread it like a friend.
Take my hand maybe we'll get lucky
And tonight will never end.

Together:
We can shoot for the moon.
Maybe we got to come in.
If we shoot for the moon,
Maybe we'll win the running.
We can live all allowed fantasies
Or stay in the way we are.
But if we shoot for the moon
The world still happen.
These we'll fall among the stars...

Roger:
... are not a bad place you will find.

Together:
They may not give around much
With they sure know how to shine,
How to shine.

Together:
We can shoot for the moon.
Maybe we got to come in.
If we shoot for the moon,
Maybe we'll win the running.
We can live all allowed fantasies
Or stay in the way we are.
But if we shoot for the moon
The world still happen.
These we'll fall among the stars...

Together:
Among the stars.
Among the stars.
Among the stars.
Mmmh... ooh...
