Roger:

This song is for you - this is your song.  
Whenever you're blue-this is your song.  
Whenever you feel that life is unreal,  
I want you to sing.

Rita:

Whenever you're sad - this is your song.  
Whenever you cry - this is your song.  
Whenever the sun just seems to gone,  
I want you to sing.

Together:

Cause this is your song.

Together with choir:

Sing away-sing away your tears,  
Sing away tears.  
Sing away all your nameless fears,  
All the fears.  
Close your eyes and be blame you know,  
This is your song  
And sing it loud,  
Sing it loud - sing it for the world.  
Feel as free,  
Feel as free as a little bird.  
Close your eyes,  
Close your eyes and you know for sure.  
You've got your song.

Rita:

Whenever you're weak - this is your song.  
Whenever you shy - this is your song.  
When friends let you down all over town,  
I want you to sing.

Roger:

When you're all alone - this is your song.  
And nobody's home - this is your song.  
When you're feeling hurt and down in the doubt,  
I want you to sing.

Together:  
Cause this is your song.

Together with choir:  
Sing away-sing away your tears,  
Sing away tears.  
Sing away all your nameless fears,  
All the fears.  
Close your eyes and be blame you know,  
This is your song  
And sing it loud,  
Sing it loud - sing it for the world.  
Feel as free,  
Feel as free as a little bird.  
Close your eyes,  
Close your eyes and you know for sure.  
You've got your song.

Together with choir:  
Sing away-sing away your tears,  
Sing away tears.  
Sing away all your nameless fears,  
All the fears.  
Close your eyes and be blame you know,  
This is your song  
And sing it loud,  
Sing it loud - sing it for the world.  
Feel as free,  
Feel as free as a little bird.  
Close your eyes,  
Close your eyes and you know for sure.  
You've got your song...
