Last night, I said goodbye
Now it seems year
I'm back in the city
Where nothing is clear
But thoughts of me - holding you
Bringing us near

And tell me
When will our eyes meet
When can I touch you
When will this strong yearning end
And when will I hold you again

Time in new england
Took me away
To long rocky beaches
And you, by the bay
We started a story
Whose end must now wait

And, tell me
When will our eyes meet
When can I touch you
When will this strong yearning end
And when will I hold you again

I feel the change comin
I feel the wind blow
I feel brave and daring!
I feel my blood flow
With you
I can bring out
All the love, that I have
With you there's a heaven
So earth aint so bad

And tell me
When will our eyes meet
When can I touch you
When will this strong yearning end
And when will I hold you again
