Don't know much about history
Don't know much biology
Don't know much about science books
Don't know much about the French I took
But I do know that I love you
And I know that if you loved me too
What a wonderful world it could be

Don't know much about geography
Don't know much trigonometry
Don't know much about algebra
Don't know what a slide ruler's for
But I do know what this one wants to
And if this one could be with you
What a wonderful world it could be

Now, I don't claim to be an A-student,
But I'm trying to be
For maybe by being an A-student, baby
I could win your love for me?

Don't know much about the Middle Ages
Looked at the pictures and I turned the pages
Don't know much about the Rise and Fall
Don't know much about nothing at all
Girl, it is you that I've been thinking of
And if I could only win your love
What a wonderful world it could be
