Just come on and say you love me
One more time what you waiting for
I just got paid I won't be lonely
So take my hand what you waiting for

I'm a believer, believer
Believer, believer, believer

Just come on and say you love me
One more time what you waiting for?
I just got paid I won't be lonely
So take my hand what you waiting for?

You're so beautiful
I can hardly breathe
Just so beautiful
You make me believe?

I'm a believer, believer, believer
I'm a believer, believer, believer
I'm a believer, believer, believer
I'm a believer, believer, believer

Just come on and say you love me
One more time what you waiting for?
I just got paid I won't be lonely
So take my hand what you waiting for?

You're so beautiful
I can hardly breathe
Just so beautiful
You make me believe?

I'm a believer, believer, believer
I'm a believer, believer, believer
I'm a believer, believer, believer
I'm a believer, believer, believer

I'm a believer, believer, believer
I'm a believer, believer, believer

I'm a believer, believer, believer

I'm a believer, believer, believer
I'm a believer, believer, believer
Believer, believer
