Embracing, the thought of tasting,
My mind's elaborate my heart is racing.
I'm waiting to escape in,
A strange reality a page I wanna paste in.
Why don't you hold my hand?

[CHORUS]

Don't you wanna feel what I wanna feel baby?
la la la la la la la
Don't you wanna feel, what I wanna feel?
Don't you wanna feel what I wanna feel baby?
la la la la la la la
Don't you wanna feel, what I wanna feel?
What I wanna, what I wanna feel feel!

Surrender, I won't defend ya,
Translation overload return to sender.
Are you mistaken, I won't be taken,
I really want it but I promise I'm not fakin!
Why don't you hold my hand?

[CHORUS]

Don't you wanna feel what I wanna feel baby?

la la la la la la la
Don't you wanna feel, what I wanna feel?
Don't you wanna feel what I wanna feel baby?
la la la la la la la
Don't you wanna feel, what I wanna feel?
What I wanna, feel what I wanna feel!

Feel, feel, feel.
I really wanna, don't, don't you wanna?
Feel, feel feel.
I really wanna, don't, don't you wanna?

[CHORUS]

Don't you wanna feel what I wanna feel baby?
la la la la la la la
Don't you wanna feel, what I wanna feel?
Don't you wanna feel what I wanna feel baby?
la la la la la la la

Don't you wanna feel, what I wanna feel?
I think I wanna, don't you wanna, a-huh, yeh yeh!
