Fashion is the only cure
It always leaves you wanting more
Fashion people know the score, oh

Fashion is the only cure
It always leaves you wanting more
Fashion people know the score, oh
Fashion

I'm just a slave to it all

Walking down the street feeling like she is complete
She's got her Gucci, Prada, Louis, Saba, isn't that neat
She thinks that everyone is looking as she's passing
them by
And everything looks better with heels three inches
high

Fashion
Step back
Every street's a catwalk
When you're looking like that

I'm just a slave to it all
Get rich, stay kitch, give me another hit
I'm just a slave to it all
Couture, some more, fashion's the only cure

Walking down the street with her new man no one's
seen
She's laughing, joking, smiling hoping everyone sees
She's got the perfect guy to match her image alright
She loves it when she sees the girls have envious eyes

Fashion
Step back
Every street's a catwalk
When you're looking like that

Fashion
It's so cool
When life is like a video

And magazine shoot

I'm just a slave to it all
Get rich, stay kitch, give me another hit
I'm just a slave to it all
Couture, some more, fashion's the only cure

Fashion is the only cure
It always leaves you wanting more
Fashion people know the score, oh

Fashion is the only cure

Fashion

I'm just a slave to it all
Get rich, stay kitch, give me another hit
I'm just a slave to it all
