Since you've gone
I just can't get to sleep
Lying awake, lying awake
Lying awake all alone

Do you know I care?
If you saw me would you know?
Do you know I care
About you still?

Please rescue me
Tonight I am calling
Dangerously, I might
Keep on falling

So you win
My life is upside down
Love me again, love me again
Love me again forever

Do you know I care?
If you saw me would you know?
Do you know I care
About you still?

Please rescue me
Tonight I am calling
Dangerously, I might
Keep on falling

Feel your love inside of me
Common sense has made me see
That you are the only one
In this world to show me love
To show me love

Rescue me
Tonight I am calling
Dangerously, I might
Keep on falling

Rescue me

Tonight I am calling
Dangerously, I might
Keep on falling
