It's, it's no
It's no accident, no
We, we just
We just let it all go

We all stand in rows
We're like dominoes, dominoes
Falling faster to zero

Down, down, down, down
Down we go, down we go
Straight on like an arrow

Down, down, down, down
Down we go, down we go
Can't you hear the echo?

See, see the
See the consequence, yes
Got, got to
Got to fasten your seat belts

I have told you
This in stereo, stereo
The truth so hard
To swallow

Down, down, down, down
Down we go, down we go
Straight on like an arrow

Down, down, down, down
Down we go, down we go
Can't you hear the echo?

Can't you hear, can't you hear
Can't you hear the echo?
Can't you hear, can't you hear the echo?

Can't you hear, can't you hear
Can't you hear the echo?
Can't you hear, can't you hear the echo?

Down, down, down, down
Down we go, down we go
Straight on like an arrow

Down, down, down, down
Down we go, down we go
Can't you hear the echo?

Can't you hear, can't you hear
Can't you hear the echo?
Can't you hear, can't you hear the echo?

Can't you hear, can't you hear
Can't you hear the echo?
Can't you hear, can't you hear the echo?
