You don't know how much I wanted this to work
Wore my heart on the sleeve of your favorite shirt
You can't blame me for giving you my all
Sometimes it get to love you gotta fall (I fell so deep)

Look up and you weren't there with me
Somewhere along this road got blind I couldn't see
I'm the only one that feels the way I do
It's not your fault I can't be mad at you
Baby

You don't love me like I love you
But I guess it ain't a crime
You don't need me like I need you
But I guess it ain't a crime
You ain't hurtin like I'm hurtin
But I guess it ain't a crime
Stayin' here any longer
It's just a waste of time
(Repeat)

I told myself to never get in this position
Now I'm contemplating making this decision
Leaving you is the best thing I can do
But I gotta feeling hurt in it more than you

Look up and you weren't there with me
Somewhere along this road got blind I couldn't see
That I'm the only one that feels the way I do
It's not your fault I can't be mad at you
Baby

You don't love me like I love you
But I guess it ain't a crime
You don't need me like I need you
But I guess it ain't a crime
You ain't hurtin like I'm hurtin
But I guess it ain't a crime
Stay in here any longer
It's just a waste of time
(Repeat)

I wasn't ready for the truth but now I'm forced to face it
If you can't give me your love baby then I'll replace it
It won't be easy but I know this much is true
I'd be doin' fine on my own without you
So go ahead
You can go boy were finished
Go ahead
Cause you're heart ain't really in it
So go ahead
I'll be doin' fine
Ain't no sense of staying when it's just a waste of time...

You don't love me like I love you
But I guess it ain't a crime
You don't need me like I need you
But I guess it ain't a crime
You ain't hurtin' like I'm hurtin'
But I guess it ain't a crime
Stay in here any longer
It's just a waste of time
(Repeat)

You don't love me
Like I love you
You don't need me
Like I need you
You ain't hurtin'
Like I'm hurtin'
It's just a waste of time...
