Do du, do de, ya
Do du, do de, ya
Ba da, da da, dum
Do du, do de, ya
Do du, do de, ya
Ba da, da da, dum

Hold my body tight, just be my lover
Can't you see my heart is suck on you
Hold my body tight, there is no other
Because no other man will ever do

In my mind, you seem to be so sincere
Can't you feel it now there's no need to fear
Like the stars in the night, I'm longing for you
'Cause tonight is the night and you make me fly high

Hold my body tight, just be my lover
Can't you see my heart is suck on you
Hold my body tight, there is no other
Because no other man will ever do

Do du, do de, ya
Do du, do de, ya
Ba da, da da, dum
Do du, do de, ya
Do du, do de, ya
Ba da, da da, dum

There's a vision of that you've given me
In my dreams, you are the only you see
There's no need a game, If you feel the same
I'm in love and your the one to blame

Hold my body tight, just be my lover
Can't you see my heart is suck on you
Hold my body tight, there is no other
Because no other man will ever do

Do du, do de, ya
Do du, do de, ya
Ba da, da da, dum

Do du, do de, ya
Do du, do de, ya
Ba da, da da, dum

Hold my body tight, just be my lover
Can't you see my heart is suck on you
Hold my body tight, there is no other
Because no other man will ever do
Hold my body tight, just be my lover
