i remember the day i was born
you were there straight from work
i remember how you looked at me
and i remember all that we could be

i-e-i, i-e-i, i miss you
i-e-i, i-e-i, i miss you
you were there to hold me up
you were there standing by my side
you were there so i didn't fall
i have shed a tear every night since you've been gone
i-e-i, i-e-i, i miss you
i-e-i, i-e-i, i miss you

i remember how you used to scare me
everytime i walked through your door
i remember how i laughed at you
and i remember everything you used to do

i-e-i, i-e-i, i miss you
i-e-i, i-e-i, i miss you
you were there to hold me up
you were there standing by my side
you were there so i didn't fall
i have shed a tear every night since you've been gone
i-e-i, i-e-i, i miss you
i-e-i, i-e-i, i miss you

i remember your smile as well
but now, yes, now, all i have are memories
and now, oh, now, all i have is your voice inside my
head that's saying
"this is all a dream, it will be over soon."
how i wish that were true
but i can't do anything without you!

i-e-i, i-e-i, i miss you
i-e-i, i-e-i, i miss you
you were there to hold me up
you were there standing by my side
you were there so i didn't fall
i have shed a tear every night since you've been gone

i-e-i, i-e-i, i miss you
i-e-i, i-e-i, i miss you

oh, i, oh, i, i miss you
i, oh, i, i miss you
yes, i miss you
