If there would be no tomorrow
What would you do
If there would be no tomorrow?
Ha, ha, ha, come on
Ha, ha, ha, come on
Yeah
Ha, ha, ha, come on
Ha, ha, ha, come on
Yeah
Imagine the future would just be a blur
The sun falls asleep with the moon
Would you think different?
Live for the moment
Any idea what you'd do?
People
If there would be no tomorrow
Oh
Would you be frighten of today?
Yeah, yeah, yeah
If there would be only one day left to exist
What would you do if there would be no tomorrow?
Ha, ha, ha, come on
Ha, ha, ha, come on
Yeah
There would be no time to respect the view
Cuz you'd have no other choice
Experience your dreams
To feel what they mean
Finally have a choice
People
If there would be no tomorrow
Oh
Would you be frighten of today?
Yeah, yeah, yeah
If there would be only one day left to exist
What would you do if there would be no tomorrow?
People
If there would be no tomorrow
Oh
Would you be frighten of today?
Yeah, yeah, yeah
If there would be only one day left to exist

What would you do if there would be no tomorrow?

Tomorrow

Tomorrow

Yeah, eh yeah
