Love, life, and laughter  
Is all I believe  
My savior is pure now  
Because my lonely heart would plead  
I never learned how to hold love  
And stay strong to love  
Now I close my eyes now  
And I'm dreamin right were I belong!  
Oh, Oh, Oh

Here we lie all alone and I'm a dreaming  
Your as smooth as my soul its unbelieving  
Now you see the me you got me feeling  
I'm a feeling  
I feel your hands on my lips  
The heat of your body  
whisper you love me, say you love me  
please just love me, tell me never leave me  
I'm a Dreamer [x2]  
oh oh oh!!!  
I am I a dreamer  
I am I a dreamer

Love, life, and laughter  
Is all I believe  
My savior is pure now  
Because my lonely heart would plead  
I never learned how to hold love  
And stay strong to love  
Now I close my eyes now  
And I'm dreamin right were I belong!  
Oh, Oh, Oh

Here we lie all alone and I'm a dreaming  
Your as smooth as my soul its unbelieving  
Now you see the me you got me feeling  
I'm a feeling  
I feel your hands on my lips  
The heat of your body  
whisper you love me, say you love me  
please just love me, tell me never leave me  
I'm a Dreamer [x2]

Am I a dreamer  
Am I a dreamer

Am I a dreamer  
Am I am I a dreamer
