One, oh baby, I'm waiting  
One, oh baby, I'm waiting  
One, oh baby, I'm waiting  
One, oh baby, I'm waiting  
One, oh baby, I'm waiting  
One, oh baby, I'm waiting

One more night  
Show me things that I never knew  
This night it felt right to be near you  
One more night  
Give me all I want and some more  
Oh baby I'm waiting

One, oh baby, I'm waiting  
One, oh baby, I'm waiting  
One, oh baby, I'm waiting  
One, oh baby, I'm waiting  
One, oh baby, I'm waiting  
One, oh baby, I'm waiting

Something in your eyes told me to stay  
I don't know if I seen it right but to see  
You this way makes me say, "Oh baby, I do"

One more night this time  
I hold your body very close to mine  
You make me feel the tenderness  
[Unverified] inside of you  
So tell me the reason that it's

One more night  
Show me things that I never knew  
This night it felt right to be near you  
One more night  
Give me all I want and some more  
Oh baby I'm waiting

One, oh baby, I'm waiting  
One, oh baby, I'm waiting  
One, oh baby, I'm waiting  
One, oh baby, I'm waiting

One, oh baby, I'm waiting  
One, oh baby, I'm waiting

I wanna feel the grind  
Feeling your heart beat close to mine  
Go on and drown me in your magic  
And your passion, oh baby, I see why

One more night  
Show me things that I never knew  
This night it felt right to be near you  
One more night  
Give me all I want and some more  
Oh baby I'm waiting

One, oh baby, I'm waiting  
One, oh baby, I'm waiting  
One, oh baby, I'm waiting  
One, oh baby, I'm waiting  
One, oh baby, I'm waiting  
One, oh baby, I'm waiting
