Push It To The Limit

Walk along the razors edge

Don't Look down,just keep your head or you'll be
finished

Open up the limit

Pass The Point of no return

Reached the top but still you've got to learn how to
keep it

Hit the wheel and double the stakes

Throttle wide open like a bat out of hell

you crash the gate's

(crash the Gate's)

Going for the back of beyond

Nothing going to stop you,theres noting that strong

so close now your nearly at the break

so push it

Oooh yeah

Welcome to the limit(Limit)

Take 'em baby one step more

Power games still playing

so you better win it

Push it to the limit

No one left to stand in your way

You might get careless but you'll never be safe

why it's the limit

Welcome to the limit(limit)

Standin on the razors edge

Don't Look down,just keep your head or you'll be
finished

Welcome to the limit

Push it to the limit

The limit

The limit

The limit

The limit

Push it to the limit
The limit
The limit
The limit
The limit
