It's the way you touch me
It's the way you make me laugh
It's the way you smile
The way you photograph
It's the way that you kiss
The way you give back
The way you love me like this
Look at the beauty of that
These are the tangled words
Of our love that we both do untie
Same old ways
Same old spice
Same old paradise
This is the faerie tale
Of our love as a guiding light
Same old ways
Same old spice
Same old paradise
It's the way you look at me
The way way you call my name
The memories of us
A constant burning flame
It's the way that we grow
The way you understand
The that you think
Our footsteps in the sand
These are the tangled words
Of our love that we both do untie
Same old ways
Same old spice
Same old paradise
This is the faerie tale
Of our love as a guiding light
Same old ways
Same old spice
Same old paradise
These are the words...
