Ohhh yeah

yeah

Saw him once in the hills  
Water in the canyon  
walked by the sun  
I brushed up against him  
Wildflowers on fire

And then I asked him with my eyes  
To ask again (yes)  
And then he asked me would I?  
Yes, Yes  
I put my arms around him, yes  
And draw him down to me so he can feel my breast  
And his heart was going like mad  
I mean yes, I said yes, I mean yes...

The moon rose in the sky  
As we lay together  
One second goes by  
Then becomes forever  
Come to you by desire

And then I asked him with my eyes  
To ask again (yes)  
And then he asked me would I?  
Yes, Yes  
I put my arms around him, yes  
And draw him down to me so he can feel my breast  
And his heart was going like mad  
I mean yes, I said yes  
I put my arms around him, yes  
And draw him down to me so he can feel my breast  
And his heart was going like mad  
I mean yes, I said yes, I will yes  
Yes  
Yes  
Ohhh yes

I put my arms around him, yes

And draw him down to me so he could feel my breast  
And his heart was going like mad  
I put my arms around him, yes  
And draw him down to me so he can feel my breast  
And his heart was going like mad  
I mean yes, I said yes  
I put my arms around him, yes  
And draw him down to me so he can feel my breast  
And his heart was going like mad  
I mean yes, I said yes, I will yes...
