MamaÂ's working in the garden SheÂ's picking herbs so she could feed them The dinner rollÂ's the only value Saying Â"look what I did, so I could feed themÂ" Christians in black

Shuttled between LA and Oakland Miles and miles between and above them

Born and raised to be an alcoholic Were you to old or young to stop it? Christians in black

Once I faked election Idle eyes that donÂ't get met With feelings out in the open Every day is just like the next Christians in black
