Some bed of roses I have given you
Some bed of roses I have given you
You're gonna stand up

Some bed of nails I have given you
Everybody's been there, I just live there too
You don't stand up

It's completely normal
Well, I guess I guess I guess

Wanna be on the right end

Will I know if I stay here tomorrow?
Will I know I won't be just fine?
Will I know if I stay here tomorrow?
Will I know I won't be just fine?

It's completely morbid
I'm a guest a guest a guest

Wanna be on the right end

Ooh, answer my dying wish
Ooh, answer my dying wish
