Oh
Oh
Oh
Oh
Oh
Oh
Oh me
Oh my
Don't cry baby
Please don't cry
Oh me
Oh my
Don't cry baby
Please don't cry
Oh
Oh
Oh
Oh

To stay awake
You take a pill
You think you're moving
But you're standing still
You can't see
It's overkill
You think you're cruising
But it's all downhill

Maybe I can put you in the right direction
Call me if you can't decide
I believe you're beyond correction
Wouldn't be the first time I made you cry

Oh me
Oh my
Don't cry baby
Please don't cry
Oh me
Oh my
Don't cry baby
All the time
Oh me

Oh my
Don't cry baby
Please don't cry
Oh me
Oh my
Don't cry baby
All the time

This won't hurt
No not a bit
You better take your medicine
'Cause you are sick
Your blood burns cold
You want me to talk
You're a bad seed
Already sown

Maybe I can put you in the right direction
Call me if you can't decide
Calling back to me looking for redemption
Wouldn't be the first time I heard you cry

Oh me
Oh my
Don't cry baby
Please don't cry
Oh me
Oh my
Don't cry baby
All the time
Oh me
Oh my
Don't cry baby
Please don't cry
Oh me
Oh my
Don't cry baby
All the time

Who do you think it's to blame
Everybody but you
You couldn't care less about the things that you do
Sick of hearing you cry
Sick of hearing those lies
Tired of wiping the tears from your eye

Let go off me

Oh me
Oh my
Don't cry baby

Please don't cry
Oh me
Oh my
Don't cry baby
All the time
Oh me
Oh my
Don't cry baby
Please don't cry
Oh me
Oh my
Don't cry baby
All the time
Oh me
Oh my
Don't cry baby
Please don't cry

Oh
Oh
Oh
Oh
Oh
Oh
Oh
Oh
