Dear diary, my dear  
Got to keep it all inside  
Got to keep it locked behind  
A golden wall of silence

You see I have my pride  
And I won't be telling him  
Anytime soon, too afraid to say it  
I wouldn't wanna embarrass myself  
Telling everybody the truth

(No I)  
I won't send this valentine  
(Oh I)  
Violets are blue  
(I won't send it)

And if you don't receive this valentine  
(I won't pretend it)  
Doesn't mean it ain't true  
And I'm not thinking of you

Won't kiss, I won't tell  
Never cross these lips  
Never break the spell  
Decided to go on denying myself  
Living alone, living a lie

(No I)  
I won't send this valentine  
(Oh I)  
Violets are blue  
(I won't send it)

And if you don't receive this valentine  
(I won't pretend it)  
Doesn't mean it ain't true  
And I'm not thinking of you

(Oh I)  
I keep living a lie  
(Oh I)

I keep living a lie

(No I)

I keep living a lie

(Oh I)

I keep living a lie

To never speak of it  
Or hear the music of it  
We'll play a symphony  
In my wildest dreams

(No I)

I won't send this valentine

(Oh I)

Violets are blue

(I won't send it)

And if you don't receive this valentine  
(I won't pretend it)  
Doesn't mean it ain't true  
And I'm not thinking of you

(No I)

I won't send this valentine

(Oh I)

Violets are blue

(I won't send it)

And if you don't receive this valentine  
(I won't pretend it)  
Doesn't mean it ain't true  
And I'm not thinking of you

I keep living a lie  
I keep living a lie  
I keep living a lie  
I keep living a lie

I keep living a lie  
I keep living a lie  
I keep living a lie  
I keep living a lie

I won't send this valentine  
Violets are blue  
And if you don't receive this valentine
