So you think you know it all  
But that's just the arrogance of youth  
I've been there and I've done it, baby  
I'm tellin' you the truth  
Your Momma was a tear away  
I used to think I knew it all  
Thought I could play the game and not get played, no  
But then the fall.

Don't you go pull a fast one  
I used to be an awful rascal  
Do you think you invented being bad?  
I used to be a real rough-hewn  
But had to become a tough one  
Do you think you invented being bad?

I bet you think I look respectable  
You should've seen me in my prime  
You'd have thought that I was headed for, oh yeah  
I life of crime.  
I bet you think that you're the clever one, clever one  
The one that got away.  
Well, I've seen them come and seen them go, oh yeah  
But I have it made.

I'm as sweet as I can be  
I've earned respectability.  
Do you know I have a history?  
You won't get to pull the wool over my eyes  
Fool, if you think you'll make a fool of me

Nothing you do remotely new.  
It all been done, when I was young  
In younger days I went astray  
You mighta say, it's all a haze

It's all been done, your brand new craze  
It all begun at Momma's place

Don't you go pull a fast one  
I used to be an awful rascal

Do you think you invented being bad?  
I used to be a real rough-hewn  
But had to become a tough one  
Do you think you invented being bad?
