I'm a trusting soul, I'm ashamed of living dangerously
And I'm a headstrong girl, I'm afraid I won't be told
I feel my destiny is only 'round the corner
Sugar daddy promised me I'll be sitting on top of the
world

It's all my naked ambitions said
I would leave them wanting more
That could be crazy wishing
We could ever have it all, have it all, have it all

We'll make a movie, we'll break into cinema
You'll be director and I'll be your movie star
We'll make a movie, the darlings of cinema
You'll be director and I'll be your movie star, oh, oh

So he's a headstrong guy and perhaps I shouldn't
listen
There's a million girls wanna be in my position
If he tells me lies I'll suspend my disbelieving
I leave it all behind, I ain't asking for permission

Feels like a new beginning
And there's so much to explore
It's not so crazy thinking
We could really have it all, have it all, have it all

We'll make a movie, we'll break into cinema
You'll be director and I'll be your movie star
We'll make a movie, the darlings of cinema
You'll be director and I'll be your movie star, oh, oh

Movie star, movie star
Movie star
