Tell her I'll be waiting in the usual place
With the tired and weary, and there's no escape
To need a woman you've got to know
How the strong get weak and the rich get poor

Slave to love, slave to love
Slave to love, oh oh, slave to love

When you're running with me (When you're running
with me)
Don't touch the ground
We're the restless hearted, not the chained and bound
And the sky is burning, the sea of flame
Though your world is changing I will be the same

Slave to love, slave to love
Slave to love, oh oh, slave to love
Slave to love, slave to love
Slave to love
And I can't escape, I'm a slave to love

The storm is breaking or so it seems
We're too young to reason, too grown up to dream
Now spring is turning your face to mine
I can hear your laughter, I can see your smile

Slave to love, na na na na
Slave to love, na na na na
Slave to love
And I can't escape, I'm a slave to love

Slave to love, na na na na
Slave to love, na na na na
Slave to love
And I can't escape, I'm a slave to love

Na na na na
Slave to love, na na na na
Slave to love
And I can't escape, I'm a slave to love

Na na na na
Na na na na
Slave to love
And I can't escape, I'm a slave to love
