I'll be loving you

It's hard to explain,  
so why don't you make me,  
I don't want to play games  
your fantasy shakes me

I'm feeling the same  
so why don't you take me  
Just look at my body  
my lips are so tasty

I'll be loving you  
I'll be loving you  
It's automatic  
Come on and get it  
If you want it too,  
It can be true  
I'm crasy for you  
Agapi Mou

My Passion is fire,  
I'm burning for you, baby, baby  
I'm feeling the desire,  
can you feel it too, lady, lady  
Can you release the freak in me?  
I'll love you till infinity

I'll be loving you  
I'll be loving you  
It's automatic  
Come on and get it  
If you want it too,  
It can be true  
I'm crasy for you  
Agapi Mou

Kosta come closer,  
ride my rollercoaster

Desislava,  
let me be your lover
