Rolf Harris - Sun Arise
=====

Sun Arise come every mornin'
Sun Arise come every mornin'
Sun Arise come every mornin'
Bringin' back the warmth to the ground
Sun Arise fillin' up the hollow
Sun Arise fillin' up the hollow
Sun Arise fillin' up the hollow
Bringin' back the warmth to the ground
Sun Arise, she come every mornin'
Sun Arise, each and every day
Sun Arise, she come every mornin'
Sun Arise
ever-y ever-y ever-y ever-y day
She drive away the darkness everyday
She drive away the darkness everyday
She drive away your darkness everyday
Bringin' back the warmth to the ground
Sun Arise
Whoa-oh-oh
Sun Arise
Whoa-oh-oh
Sun Arise
Whoa-oh-oh
ever-y ever-y ever-y ever-y day
