Rolf Harris - War Canoe
=====

All together
All together
Lean on the paddles
Lean on and lift out, silently
All together
All together
Lean on the paddles
Lean on and lift out, silently

War canoe can
Creep along can
Glide along when
When there may be
Enemy near

All together
All together
Lean on the paddles
Lean on and lift out, silently
All together
All together
Lean on the paddles
Lean on and lift out, rapidly All together
Lean on the paddles
Lean on and lift out, rapidly

War canoe come
Flashing towards us
Crashing towards us
Now we see the
Enemy clear

All together
All together
Fight to kill the
Fight to kill the enemy

Come on and kill the enemy

Come on and kill ...

All together
All together
Lean on the paddles
Lean on and lift out, easily

All together
All together
Lean on the paddles
Lean on and lift out, silently

War canoe can
Splash along can
Sing the song
We know we kept the enemy clear

All together
All together
Lean on the paddles
And bring the war canoe safe home again

mmm mmmm mmmm mmmm

All together
All together
Lean on the paddles
And bring the war canoe safe home again

mmm mmmm mmmm mmmm

All together
All together
Lean on the paddles
And bring the war canoe safe home again
