You're just standing there  
With your arms folded  
Like you couldn't care  
Even before you glanced at me  
I already felt the chemistry  
Don't know what it is about you  
That's got me feeling mesmerized  
I won't let you get away, boy  
You're the luckiest one!

\*I don't need you,  
Cos the truth is  
Got me hands full up as it is  
But I want you  
Gonna put you at the very  
Very top of my list...

You are all I've ever wanted!  
Baby

\*Repeat

Yeah, I want you  
Gonna have you  
And that's the way it is!
