[Chorus]

You just give a little love and it all comes back to you,
You know your gonna be rememberd for the things that
you say and do

[Bashy]

Boof ,Yo its BBB,
Could be anything i wanted to be,
Like movin x-men,
Put the thought in my mind inception,
From the hood where the fullstop don't mean the end
of your sentance,
We're tryna' get out like attention,
Say cheese when i smile,See cheddar,
In like don't be bitter, be better

[Wretch 32]

I started with nothing but an idea,
Following my own steps in my Nike airs,
Yeah, it was all or nothing,
My story tryna' find a buzz in a lightyear,
I go in when i step outdoors,
You cant put in less and get out more,

I went from opening locks,
To sellin' Jumpers so im over the top

[Chorus]

You just give a little love and it all comes back to you,
You know your gonna be rememberd for the things that
you say and do

[Manga]

Yo,
And i fully beleive in karma,
So i keep focused and i work harder,
Puttin' my feet down just like a farmer,
Show them love and watch them go faster,
A couple 'dem try and say that we couldn't,
But, yes we can Obama,
And thats why i see supeheroes in all of us Peter Parker
