Oooooooooooooo  
Enough for you no

You had a good girl  
And you lost her  
You put her in the arms of someone wonderful like you

Verse 1

I had a good girl but I'm a bad boy  
I noticed all the qualities when it was too late  
My names too bate  
And people chat my name  
I couldnt hide it it was bate  
So she was bound to find out  
I had the right girl  
Uno when you can tell  
She had a nice heart and a nice smell  
When I laid down with this girl she help me sleep well  
She wouldn't let me starved she would help me eat well  
But I'm a prick I sliped up  
Played the game a triped up  
No it wasn't worth it I'm a afraid it messed my life up  
I was always paranoid thinkin she was slipin up  
Stop get a grip boy your the one that's slipin up  
If you go a stray then oneday she will go a stray  
It's up to you slip decision now  
You just make your mind up it's your choice  
She's got boys that like her  
They are linin up  
Right now she is yours are you prepared to give her up

(Chorus)

U hada u hada u hada u hada good girl  
And ya lost her  
She was goooooooooooooo  
Bad boys need a good girl  
A girl her keep ya focused  
And not a hood girl  
Good girl and ya lost her  
She was goooooooood  
And good girls want a bad boy  
Ull be the good girl and I'll be the bad boy

### Verse 2

She was my good girl until it went bad  
We lost everything we had  
I had to let her go her own way  
Talks got back that you been cheated with him  
Go ahead girl just be with him  
I no that I broke your heart so many times  
But it's never tif for tat  
I can't allow that  
It couldnt be that  
We broke the... from the start  
And now iv gone and lost my spark iv lost  
Coz I was so into you  
We made the ideal couple  
With ever pictures in royal you blu  
When I was stressed you took me in and me hold the  
space  
You stood by me thru thick and thin and didn't watch  
your face  
And now I'm standin up iv gone a took you for grated  
And now iv seen how much I'm really wantin  
But it's too late cuz you gone bad but it's all good  
And this relationship could never be what it could  
Cuz...

(Chorus)

### Verse 3

I love to make you say (gooooooood) I love it when you  
say kan your the greatest  
Your a good girl my girl noone elses  
I'm selfish  
You make this a good world  
You'v got a good heart  
Your so good to me it's more then a good start  
Girl your too good for me  
I would even have you live with me  
Cook for me  
Il educate you girl  
You can even read a book to me  
I love it when you say (gooooooood)  
And you hold me close  
I only bost  
Cuz most boys aint got a girl like you  
Your so much like me  
I'm so much like you  
And that's why I like you  
I like your personality  
When I look at you an angel is the person that I see  
I like your smile

Your dress sense  
Your style  
Your just a good girl that's what drives me wild

(Chorus)

U hada you hada you hada you hada good girl  
And ya lost her  
She was goooooood  
Bad boys want a good girl  
A girl to keep you focused  
And not a hood girl  
You had a goo girl  
And ya lost her

...

And good girls want a bad boy  
Ull be the good girl and I'll be the bad boy

Hook

You had all the good lives  
And the good times  
But the friends and money if it's spent  
All the power and success  
I would never...  
You had a good girl and ya lost her  
She was good enough for you no  
You had a good girl  
And you lost her  
She was so good enough for you no  
You had a good girl and ya lost her  
You put her in the arms of someone wonderful like you
