ISIDOR STRAUS:

Still

The way I loved you

Still

Lives in my heart

IDA STRAUS:

After all the years

We've been together

BOTH:

Holding our love

Still..

ISIDOR STRAUS:

The way you move me

Still

Feels as it did

When you first became mine

Whispered the words

BOTH:

"I will"....

I loved you then...

And I love you

still

IDA STRAUS:

No one else could play your role

Forever know my mind

ISIDOR STRAUS:

True companion of my soul

I won't turn from

You I learn from

Still...

BOTH:

Through fortunes changes

Still

Always we've known...

ISIDOR STRAUS:

That the promise we made

BOTH:

Kept us as one

And will!

I loved you then...

And I love you...

Still
