*[intro]

God forgive them, they don't know what they're doing...
But I'll never forget them, never.

*[verse1]

Rather than sinking the nation when (people from) NATO encourage TaÄija (?)
Bombs fell here, now they're trying again for conversation and tolerance
Show a smile, yet Kosmet is full of drooling, who is that naive?
Ta maÄina sudi sa dva arÄina, dva naÄina, praÄita jaÄima - sledi kazna slabima.
But Athens fell, Byzantium fell, even the tyranny that cheers on the establishment of a big Albania
will fall.

I Äemu da se Srbi nadaju kad danas haraju, svetom vladaju oni koju su razapeli Isusa?
tvorci cirkusa kojima se Ameri sad vade iz minusa.
podeljen na klanove kroz potresne ratove otuÄen,

*[chorus 2x]

Mi smo postojali kroz vekove, nismo ni oplakali dedove
a veÄ smo slali potomke na nove frontove.
Ovde opstajali, i uvek se prvi suprostavljali
And we'll be here when you all perish.

*[verse2]

I won't be scared when war flashes, I'll stand ready like my ancestors
Sve palikuÄe vuÄem u bezdan, uljez vreba.
danas takav ne moÄe da bude Äedan, zauvek megdan.
Ljude gledam, takve sluÄaju, puÄtaju u etar, daju im pehar.
Svet je tesan, Äivot gorak i teÄak.
nije bitno dal' Äu ustati sinovac.
Ne zaboravi ko nas je nabijao na kolac, naÄom krvlju se nalivao, decu spaljivao, kaljao obraz.

*[chorus]

*[verse3]

When will they remove us from the black list, Christ sees criminals
They teach us the truth [?] about the fat people who made the Indians extinct
All looked from a distance while Milosrdni Angel (Must have something to do with the war?) fired

the blaze

Srbijom ne gazi naÅ¡a Å izma.

Srbija stoji dok gori tries' i viÅ¡e manastira.

bili ste pagani kad smo to kamenje slagali, znamenje stvarali.

i ponovo se svima suprostavljali,

Nije bitan broj, mi smo kretali u boj i na divove.

Bitno je da se setiÅ¡ kome su pripali prostori,

PriÅ ali poroti, al' dÅ¾aba kad bi i ona da nas porobi, da nas pokori.

NaÅ¡ narod ne moÅ¾e da se odmori,

mnogi su pokojni i opet nismo slobodni.

*[chorus]

Ne zaboravi, milion i po u prvom svetskom ratu, dva miliona u drugom..

6000 u Kraljevu, 7000 u Kragujevcu u istom danu.

Ne zaboravi, oprosti ali nikad ne zaboravi. Nikada...
