What's in it for me?... Artist Kelly Wilde
Music and lyrics by Tony Power

I give you my love completely
And you take it all
I give you my time so freely
I'm there when you call
And now here am I believing
That you'll do the same
You've nothing to loose
And what do I gain.

Chorus

What's in it for me?
What's in it?
I gave you the key to my heart
I've tried to be all that you want me to be
What's in it for me?
2
I'm there every time you want me
To tend to your needs.
There's nothing I won't consider
Nothing I won't concede
But what is the use in giving
If you don't do the same
Is this love for real, or is it just a game

What's in it for me?
What's in it?
I gave you the key to my heart
I've tried to be all that you want me to be
What's in it for me?

You've nothing to loose
What do I gain?

What's in it for me?
What's in it?
I gave you the key to my heart
I've tried to be all that you want me to be

What's in it for me?

What's in it for me?

What's in it?

I promised you right from the start

I'd always be true

Now I've got to see

What's in it for me?
