Close your eyes give me you hand, darling Do you feel my heart beating do you understand Do you feel the same Am I only dreaming Is this burning An eternal flame

I believe it's meant to be, darling I watch you when you are sleeping You belong with me Do you feel the same Am I only dreaming or is this burning an eternal flame Say my name sun shine's through the rain A whole life so lonely an then come and ease the pain I don't wanna lose this feeling, oooh. (x2)

Close your eyes give me you hand, Do you feel my heart beating do you understand you feel the same Am I only dreaming But this burning An eternal flame
