Empty heart and empty soul
A lover on remote control
All colors fade to gray
The more they play this love charade
Why don't you see, why don't you feel that love is free?
Ichi-gi ichi-go
All alone in Tokyo
Don't you see? don't you know?
They have nowhere else to go
Ichi-gi, ichi-go
Far away from Tokyo
They believe
In Geisha Dreams
Dadi da etc.
Perfect body and perfect smile
An illusion for a while
Born to love and trained to please
And paid to put your mind at ease
But don't you see, but don't you feel that love is free?
Ichi-gi ichi-go
All alone in Tokyo
Don't you see? don't you know?
They have nowhere else to go
Ichi-gi, ichi-go
Far away from Tokyo
They believe
In Geisha Dreams
Dadi da etc.
All your love and hopes and dreams
All you feel down deep inside aintt real
Don't count for anything
Cause Geisha dreams aren't meant to be
Why don't you see, why don't you feel that love is free?
Ichi-gi ichi-go
All alone in Tokyo
Don't you see? don't you know?
They have nowhere else to go
Ichi-gi, ichi-go
Far away from Tokyo
They believe
In Geisha Dreams
Dadi da etc.
