Well I got money to spend and time to waste
Let's get together baby let's get straight
Cause me and you that's all we two can really have a
ball
I'm a crazy lover
And I think you kinda crazy too
Well those and how sweet they are
But baby babe I don't know the score
I'm sweeter than the peaches that come in the can
I'm even super than a superman
Cause I'm a crazy lover
And I think you kinda crazy too
Well I'm hotter than sun I don't fall for too much
I'm a sweet talker mama make you wanna cry
Like dynamite

Just a kiss from your mother I'm liable to explode
Cause I'm a crazy lover
And I think you kinda crazy too
Well I'm dressed to kill, baby don't you know
I got guns and drug and a whole lotta dope
I want you with me everywhere I go
Well listen to me mama cuz I'm telling you so
I'm a crazy lover
And I think you're crazy too
