Well I close my eyes and I look inside
Well I realize I'm a bad case
Well I'm at the last place that I wanna be
I open my eyes and I wanna get away
Push me, Pull me, and I wanna run, I wanna hide

And I can't get in, I can't get out
And I can't get close when I get close to you
And I can't get away, I can't get away
I can't get to myself, so I can't get to you

And I can't get through myself so I can't get to you
Why don't you touch me so I can feel it
There's an ego followin' the way I feel
The closer I get, the farther away I feel
I can't get in and I can't get out
I want you to touch me so I can feel it
I'm dead as I look to your eyes
I'm a prisoner trapped in life
I am the garbage that I throw away
I am the loser in the game I play
And I can't understand why I can't get in and I can't get
out
I'm alone in the place I stay
The closer I get the farther away you feel

The closer you get the farther away I feel
The closer I get the farther away you feel
The closer you get the farther away I feel
I can't get close to you

I can't get close, I can't get close, I can't, I can't get it

I've got thrown in a hole
Down and away, down, down, down, down and away
Down and away, away, down, down, down, down,
down, down, down, down, down
down, down, down
Away, away, away, away, away, away, away, away,
away, away, away, away, away
Down, down, down and away, away, away, away, away,
away, away, away, away,

Down, down, down, down, down, down, down and away
away, away, away, away, away
